

LHPL Adult Programs Survey

We are beginning in person adult programs soon! Each month, we will have the following programs: The first Monday of the month will be crafts. The second Monday of the month will be Book Bingo. The fourth Monday of each month will be Manic Mondays. Manic Mondays are when we will have speakers or something fun and special. Every Manic Monday will be something different. I am looking for ideas for the third Monday of the month. I want to know which of the following things you would like to see as a library program for adults. Please turn in at the circulation desk by April 15. Thank you!

Please rate the following program ideas in order of interest. The one that you are most interested in will be 1, the next most interesting one will be 2, etc. If a program does not interest you at all, please mark it with a 0.

___ A health & fitness class that would have a different topic each month that would be about nutrition, exercise, and anything related to health and fitness.

___ Adult coloring night.

___ A book club that participants would all read the same book and then discuss it at the meeting.

___ A book club that participants would read what they wanted and everyone would get to discuss the book they are reading.

___ A social “needlework” night on one Monday evening a month where you would bring whatever you are working on, and socialize while working on it. Embroidery, cross stitch, crochet, knitting, latch hook, plastic canvas, hand sewing, anything done by hand would count.

___ Game night: This would be for adults and could be anything from board games to card games to Pokémon. What games would you like to play? _____

___ If you have an idea or suggestion not listed above, then write it in here:
